About Umicore

Umicore is a circular materials technology Group. It focuses on application areas where its expertise in materials science, chemistry and metallurgy make a real difference. Its activities are organized in four business groups: Battery Materials, Catalysis, Recycling and Specialty Materials. Each business group is divided into market-focused business units offering materials and solutions that are at the cutting edge of new technological developments and essential to everyday life.

Umicore generates the majority of its revenues from and dedicates most of its R&D efforts to clean mobility materials and recycling. Umicore's overriding goal of sustainable value creation is based on an ambition to develop, produce and recycle materials in a way that fulfils its mission: Materials for a better life.

Umicore's industrial and commercial operations as well as R&D activities are located across the world to best serve its global customer base with around 12,000 employees. The Group generated revenues (excluding metal) of € 1.8 billion (turnover of € 7.4 billion) in the first half year of 2024.
