

Certificate of participation

The CEWASTE consortium would like to acknowledge and express its gratitude to **Umicore N.V.** for participating in the CEWASTE pilot audit conducted on 16th of October 2020.

The EU-funded CEWASTE project will deliver a set of requirements for **improving recycling and recovery of Critical Raw Materials (CRM)** from waste electrical and electronic equipment (WEEE) and waste batteries. The results of the project will contribute to better recovery of raw materials thus contributing to the creation of a circular economy in the EU and worldwide.

The CEWASTE project consortium would like to thank you for your support and feedback, which were used as a valuable input in the development of the final version of the CEWASTE requirements.

The CEWASTE Consortium

29th January 2021

This project has received funding from the European Union's horizon 2020 research and innovation programme under grant agreement N° 820859
